

Sports News

Week commencing 24th April 2017

Monday – Year 5 & 6 Basketball Tournament, Buller Wood School for Girls

Year 5 & 6 took part in this highly competitive tournament. Eleven schools took part in a round robin event in two pools. The top 6 teams would then qualify for the trophy competition.

Our Year 5 narrowly squeezed into this final round on “goal difference” – possibly knocking our Year 6 team out!!

However, the Year 6 team then went on to win every match in the play off group finishing top of the group and winning the “plate”! Well done Year 6.

Year 5 then continued into the final stages, playing five more matches – some of which were against teams we had already lost to. Amazingly, the team ‘upped their game’ – defending strongly, attacking swiftly. They then managed three more wins and two draws, which left them clear winners of the tournament by three clear points!! Well done!

This now means that the winning team will be representing Bromley Schools at the London Youth Games later in the Summer Term. Good luck!

Tuesday – Year 3 & 4 Mini Red tennis, Bromley Tennis Centre

The children played in mixed teams made up of two boys and two girls. Our A team managed a magnificent 11 wins and 5 losses, with some amazing points scored! Our B team managed 5 wins in their group. Out of eleven schools taking part we managed to finish an amazing joint 5th place. Well done to all the children!

Wednesday – Year 3 & 4 Football Festival, Oak Lodge Primary School

(run by Year 6 Sports Leaders)

A cold, wintery afternoon saw a year 3 and a year 4 mixed teams take on eleven other teams in a friendly round robin event. Our Year 3 team managed three draws and one loss against tough (and very tall!) opposition! Well done Year 3!

Our Year 4 team was playing in the A team group against teams renowned for their strength and winning ability. After two wins, one draw and one loss they managed to finish joint first with the strongest Oak Lodge team. A fantastic achievement! Well done everybody!

A big, big thank you to all the parents that have helped transport children this week.....without your help and support we could not take part in as many events as we do.

Friday – Kwik Cricket League Match

The first match of the Summer League saw a fine victory for St James against Blenheim with a score of 235-228! Well done year 5&6.

And finally.....as a school we have been awarded the Gold School Games Award for participation in sporting activities. This is awarded not only for sporting competitions, but also for taking part in extra-curricular sports clubs before and after school and also for competitions that take place in school like Sports Week! So this award has been earned by every child (and parent!) within the school! So well done to everybody for participating so actively!!
