

Year 5 & 6 Tag Rugby Tournament  
Parkhouse Rugby Club  
21<sup>st</sup> February 2017

Mud, mud, glorious mud! Perfect conditions for rugby!  
Mixed teams from Year 5 and from Year 6 braved the conditions to represent St James' at the highly competitive Tag Rugby tournament with 41 teams competing.

The children opted this time to compete as separate teams, with Year 6 becoming our A team and Year 5 making up our B team.  
The first Year 6 match was nail-biting end to end action with a late winner being scored by the opposition. Defending was strong and runs for the try-line were swift in the following matches, securing one win, one draw and one further loss. A great effort by all!

The year 5 team began with a hard fought defeat, but picked themselves up to win their three remaining matches. This left the Year 5 team finishing second in their group.

With the top teams qualifying for the quarter finals, our Year 5s had a nervous wait to see if we would qualify as best placed runners up. On count back, and average tries scored.....we narrowly missed out by 0.4 of a try! This left the Year 5 team finishing 9<sup>th</sup> overall out of 41 teams.

A fantastic achievement for both of our teams! Well done!
