

Year 5 at Forest School

In the Autumn Term, Year 5 had a great time at Forest School. We develop our team building skills as we had to listen to one another and work as a team in order to complete the challenges set. We did lots of activities that included team work such as; building a den, making a ladder from one tree to another, creating wood frames, making stick animals and designing nature art inspired by Andy Goldsworthy.

We had lots of fun and even got a little bit muddy!

From Anaya & Isabella S Year 5

Here are some quotes from the Year 5 children:

“The qualities that are needed to be a good team player are: good communication, helping others, being kind and making good products by listening.”

“I have learnt that I can do things, if I put my mind to it.”

“To be a good team member you have to be friendly and not bossy.”

“I loved making things because it was very creative.”

“I learnt how to whittle and how to care for nature.”

“I enjoyed making Stick Jenga, stick frames and an Andy Goldsworthy picture with nature.”

“I loved having hot chocolate and a biscuit!”

Pictures of Forest School

Here are a selection of photos to show Year 5's time at Forest School.
