

## Questions to Ask Father David

On Wednesday 22<sup>nd</sup> November, Father David visited our school to answer questions from the children that were in the “Questions to ask Father David Box!”

Two assemblies, one for KS1 and one for KS2 were organised. Father David was able to answer all the questions that the children wanted to ask him. We were amazed at the depth of the questions.

A selection of some of the questions that Father David was asked:

- Why did you decide to be a priest?
- If you were not a priest what job would you have?
- Which is your favourite bible story and why?
- What was it like meeting Pope Francis?
- Who is your favourite saint?
- What was your favourite subject at school?
- What is your favourite miracle that Jesus performed?
- Who created God?
- Do you think we will have women priests?
- Why are dinosaurs not mentioned in the bible?

We are grateful to Father David for giving up his time and answering the questions in a way that the children were able to understand. The children are already writing new questions and looking forward to his next visit!
