

ST JAMES' TOILET ACCESS POLICY

This policy has the School's Motto at its heart.

Faith in action,

Growing together,

Walking in the footsteps of Christ

Aims:

- To maximise access to pupils' toilet facilities during the day to promote the health, wellbeing and learning opportunities of all pupils.
- To provide good quality toilet facilities throughout the school.

Rationale:

- The school recognises that well-maintained toilet facilities where pupils feel comfortable and safe and have open access to throughout the school day, are essential for health, wellbeing, and learning.
- We value and respect our pupils and want them to be able to benefit from good provision and practice.

Objectives:

- To ensure that this policy is both accepted and upheld by the whole school community - school management, staff, pupils, governors, parents, site manager, cleaning and ancillary staff.
- To keep all toilets open and available to pupils throughout the school day. While pupils can use toilet facilities at break and lunchtimes if they need to, we ensure pupils have access at all times. We recognise that toilet needs are highly individual and do not conform to regimental timetables. We recognise that some pupils only feel comfortable going to the toilet when others are not around and we will allow children to use the toilet without adverse comment.
- To ensure that the toilet facilities are suitable for the range of anticipated users, including pupils with disabilities and special needs, with adequate lighting, fixtures and fittings.
- To ensure that the toilet facilities provide privacy for users.
- To ensure that all toilet areas have properly maintained supplies at all times of warm and cold water, soap, hand drying facilities and toilet tissue.
- To ensure sanitary disposal units in all KS2 female cubicles are serviced on a regular basis.
- To implement and maintain an effective toilet cleaning, supervision and inspection regime to ensure proper standards of provision and cleanliness, throughout the school day.
- To supervise the toilets at break and lunchtimes.

- To actively seek the views of the whole school community in relation to any concerns about toilet provision and access issues and to respond to these and deal promptly with any problems highlighted by the pupils.
- To actively consult and involve the pupils in managing the toilets via the School Council.
- To encourage pupils to respect the toilets and each other.

Notes

- The school actively supports the provision of open access to well-maintained, clean, private and safe toilet facilities throughout the school day.
- This Policy was written with support of eric, The children’s Bowel and Bladder Charity.
