Mrs Weeks welcomed everyone to the meeting.

The children were asked what they wanted to discuss at the meeting and they mentioned the following:

The children mentioned that not all of children are remembering to wash their hands. It was suggested that after half term the Student Council would deliver an assembly on hygiene reminders.

A KS1 child said that they sometimes see children sad in the playground. We talked about how we can all be healers and can try to do or say something that makes people feel better.

We discussed loneliness and what this means. The children asked if each class could have a Friendship Stop Monitor to keep checking to see if anyone was waiting for a friend to play with. Emily said that in Y1 Miss McCarthy had given everyone a playground buddy and that she thought that this was a good idea. Mrs Weeks thought that these were both good ideas and said that she would mention them at the next staff meeting.

The KS2 children said that they had seen children falling over the red and white barriers. Mrs Weeks said she would talk to KS2 teachers to see if all the barriers were needed.

A child asked about the possibility of having a Badminton Club however Mrs Weeks said that unfortunately we did not have enough adults at the moment.

KS1 said that children were not always keeping to their day to play football. Mrs Weeks said that she would speak to Mrs Richards, Miss McCarthy and Mrs Martin to ask them to remind the children of the rota.

Mrs Weeks thanked everyone for attending the meeting and wished them all a good half term break.
